

# SERVICE NOTICE

Date: 1/31/2007

Number: SB0107

Subject: # 532074 Anti Scalp Roller Kit for 52" Xtreme with Serial # 53138 and above.

---

An anti-scalp kit part # 532074 is now available for the 52" Xtreme unit.

The purpose of the kit is to add an anti-scalp roller to the discharge side of the deck.

To install the kit use part # 533140 as a template and position it even with the top of the deck brace on the left hand side. The left hand side of the bracket must extend 1/4 inch beyond the edge of the deck. Clamp the bracket into place and drill 3/8 holes to install bracket. Bolt the bracket into place using the (3) 3/8 by 3/4 bolts provided. Install the roller using the hardware provided.
