**Subject:** Adjustable Chain Mounts for 52K23X

---

---

**Details:** The Deck Lift Angle, part # 423358, on the Encore X-treme 52K23X is being replaced with the Adjustable Chain Mount, part # **533112**, on units with serial # 51622 and above. The Adjustable Chain Mount will be assembled with a 1/4" bolt and a 1/4" jam nut to make the new mount adjustable.

Below is a diagram showing the new Adjustable Chain Mount assembly.

Please note these changes in your Encore X-treme 52K23X illustrated parts manual.
