Subject: Weight Bracket Kit for the Encore Prowler Midcuts

***** ATTENTION PARTS & SERVICE DEPARTMENT *****

The Prowler Midcut Weight Bracket Kit is now available. The part # for this new kit will be **592058**. This front Weight Bracket Kit includes the weight bracket only. The front weight is sold separately in the Front Weight Kit, part # 821017.

The diagram below shows the installation of the new Prowler Midcut Weight Bracket Kit, part # 592058, and the Front Weight Kit, part # 821017.

- 1) Using the 3/8x3 1/2 HHCS, bolt together the Front Weight Bracket (part # 593119) and Weight Mount Plates (part # 523504) onto the front axle as shown in diagram.
- 2) Place Front Weight (part # 823281) onto Front Weight Bracket and secure into place using 1/2x4 HHCS, 1/2 Std Flat Washers, and 1/2 Nyloc Nuts.
