**WORL DLAWN POWER EQUIPMENT, INC.**  
2415 Ashland Ave  
Beatrice, NE 68310  
(402) 228-4255

**Bulletin Number: SB1406**

**Date: 8/15/14**

**Product Affected:** X-Treme and Prowler serial number 58436 and higher

**Situation:** We had several field requests to develop an oil cooler kit for our units. In some conditions with very hilly terrain or particular attachments we would see the oil heat up and a noticeable drop in performance.

**Solution:** We created an oil cooler kit that may be purchased per the customer request.

**Parts Required:** 532081 X-Treme kit  
592208 Prowler kit  
One kit per unit.

**Warranty:** The addition of the kit is not a warrantable item.

**Important Note** The addition of the kit is not a warrantable item.
