

Cut those big jobs down to size with the Tracer tow-behind. Pull it with an ATV/UTV or use the adjustable tongue angle to cover twice the area behind your existing mower. With a floating deck and a pivoting tongue, you will get a smooth cut over nearly any terrain.

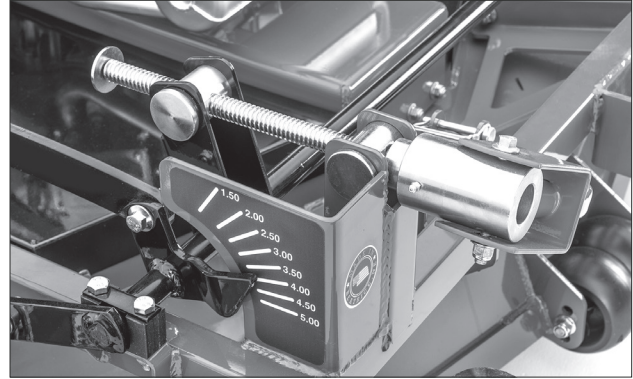

FEATURES

- Convenient single point hand-crank allows more precise cut height
- Adjustable tongue angle means you can offset the mower to the left or right
- Pivoting tongue to handle all types of terrain
- 60" side discharge
- 72" rear discharge
- B&S Commercial Turf Engines
